

Stelle dir vor, die Mitte wäre ein Spiegel. Zeichne die fehlende Hälfte. Benutze dazu ein Lineal und einen spitzen Bleistift. Färbe die gleichen Flächen.

The grid is 20 columns wide and 15 rows high. A vertical line of symmetry is drawn at the 10th column. The left side of the grid contains a drawing of a monster's head. The drawing consists of a thick black outline. The eye is a solid black circle. The smile is a simple curved line. There are five gray-shaded cells: one at row 6, column 7; one at row 8, column 5; one at row 10, column 8; one at row 12, column 4; and one at row 14, column 10. The right side of the grid is blank for drawing the mirror image.
