

A large crossword puzzle grid is the central element. It is surrounded by various pirate-themed illustrations. At the top, from left to right, are a ship's wheel, a shark fin, a wooden barrel with 'XXX' on it, and a telescope. To the left of the grid is a treasure map. Below the map is a sack of gold with two coins. Further down is a bottle of rum. To the right of the grid is a compass, an anchor, and a treasure chest. Below the compass is a red polka-dot bandana. In the center of the grid, a pirate character has an arrow pointing right, and a red parrot has an arrow pointing left. Below the parrot is a palm tree. To the left of the palm tree is a rum bottle labeled 'RUM'. At the bottom left, there is a pirate ship, a parrot, a skull and crossbones, a red bandana, a black eye, and a pirate hat with a skull and crossbones.
